CAREER HIGHLIGHTS

With over 26 years experience in the business of Industrial Real Estate, Mr. Unger has developed an extensive background in warehousing, distribution, manufacturing, training and research facilities. He consistently focuses on his clients; anticipating their real estate needs and acquisition and disposition challenges. He employs analysis strategies to address utilitarian design efficiencies and maximize investment return. His attention to detail insures that his clients are provided with a dominant base of knowledge of all pertinent alternatives as a result of thorough market research. This empowers them to make the very best business and real estate decisions possible. Mr. Unger has been a Top 5 Producer, with his firm 14 years of his career. As a member of both CCIM (Certified Commercial Institute Member) and SIOR (Society of Industrial and Office Realtors) Mr. Unger is in a limited and elite group containing only .05% of the Commercial Real Estates Agents in the United States.
